

Ofcom General Condition 9.2: Additional Information

This Additional Information is applicable to EE business customers with greater than 50 employees and/or those EE customers who have agreed to an “EE Business Agreement” (the “EEBA”) with Everything Everywhere Limited, who have requested the incorporation of this information in accordance with Ofcom General Condition 9.2.

If you are an EE or Orange small business customer (a customer with less than 50 employees and/or you have agreed to an EE or Orange”Business service/upgrade agreement” in a retail store, online or over the phone with Everything Everywhere Limited or with one of our authorised third party agents, then Additional Information in accordance with Ofcom General Condition 9.2 will be included within your EE or Orange Pay Monthly Terms for Small Business.

Note: terms defined in this Additional Information have the same meaning given to them in the EEBA unless stated otherwise.

Provision in General Condition 9.2	Additional Information for incorporation into the EE Business Agreement for Business Customers
9.2 (a): the identity and address of the Communications Provider	This is covered in Clause 2.1 (Definitions) of the General Terms and Conditions for Business Customers v2.0 15.10.2012.
9.2 (b): the services provided, including in particular whether or not access to Emergency Services and Caller Location Information is being provided, and any limitations on the provision of access to Emergency Services	<p>The Services provided are defined in Clause 2.1 (Definitions) of the General Terms and Conditions for Business Customers v2.0 15.10.2012.</p> <p>The Services and Equipment provided are then specified in the Commercial Terms of the EEBA.</p> <p>The Customer may contact the emergency services for free by calling 999 or 112 (or by sending an SMS to 999 if the Customer is registered to contact emergency services by SMS) provided the Customer is in range of a base station forming part of EE’s Network. If the Customer is not within range of one of EE’s base stations, or if EE’s base station is not transmitting for any reason, the Customer’s Device may try to use another mobile network to connect the call to the emergency services. Depending on the Customer’s Device, their approximate location using certain location data may be provided to the emergency services. The EE Price Guide for Large Business (the “Price Guide”) which can be found online at www.ee.co.uk/business/terms contains further information on any other restrictions on access to emergency services.</p> <p>Access to Emergency Services is not possible where the Service is withdrawn by EE for non payment or breach by the Customer, withdrawal of a Service or Equipment by EE, or where there is no coverage from any network operator. Access to Emergency Services is also not possible where EE has to suspend access to the Services due to (i) technical failure, modification or maintenance of the Network, (ii) upon instruction by emergency services or any government, regulatory or appropriate authority or (iii) where it is necessary to safeguard the integrity and security of the Network or to reduce fraud.</p> <p>The provision of Caller Location Information is not specified in the terms and conditions but caller location is relayed to Emergency Services as required under General Condition 4 of the General Conditions of Entitlement. Caller Location Information is available directly from the Device except where the</p>

	Customer is using a signal boost device.
9.2 (c): information on any other conditions limiting access to and/or use of services and applications (where such conditions are permitted under national law)	<p>This is covered in Clauses 6.2 and 6.3 of the General Terms and Conditions for Business Customers v2.0 15.10.2012.</p> <p>The Services are provided to the Customer on the basis the Customer complies with the terms and conditions of the EEBA.</p>
9.2 (d): details of the minimum service quality levels offered, namely the time for initial connection and any other quality of service parameters as directed by Ofcom	<p>Clauses 6.2 and 6.3 of the General Terms and Conditions for Business Customers v2.0 15.10.2012 cover information relating to service quality levels offered.</p> <p>As per Clause 17.3 of the General Terms and Conditions for Business Customers v2.0 15.10.2012, all SIM Cards are supplied by EE pre-Connected. Quality of service parameters are not included in the terms, however customers can check coverage/service levels pre-sale and at any time during the Service through our coverage checker tools which can be found on our website and are used in pre-sale coverage discussions.</p>
9.2 (e): information on any procedures put in place by the undertaking to measure and shape traffic so as to avoid filling or overfilling a network link, and information on how those procedures could impact on service quality	Fair use policies are put in place to avoid overfilling the network and can be found in the Price Guide and/or the relevant Solution Terms. Where necessary, other packages have a defined usage limit to avoid overfilling a network link. Fair use policies are incorporated by cross reference (see clause 10.1(j) of the General Terms and Conditions for Business Customers v2.0 15.10.2012) and information on any relevant network controls are included in our network management help and support documents which can be found on our website.
9.2 (f): the types of maintenance services and customer support services offered, as well as the means of contacting these services	<p>Support services that may be provided by EE are only provided for the specified Equipment and EE does not provide support for any other equipment (including without limitation Customer Equipment).</p> <p>A Standard Support Service for Large Business Customers and a Tailored Service is available to customers who meet the required eligibility criteria as set out in the Price Guide. The details of these support services can be found at www.ee.co.uk/business/terms.</p> <p>Support arrangements for Solutions can be found in the Solution Terms which can be found at www.ee.co.uk/business/terms and for certain other Services in the Price Guide.</p>
